*To the Members of the Kentucky Conference, M. E. Church South.*

DEAR BRETHREN :

By reference to the minutes of the last session of our Conference, it will be seen that I was appointed custodian of our Conference book of biographical sketches, and by your suffrages, had conferred upon me the honorary title of "Keeper of Rolls." I would specially report that I have made diligent search for our book of sketches, but have been unable to find it. My opinion is that we must begin anew if we would preserve these biographical materials. I have made several calls upon the brethren asking them to furnish such sketches, but only four have responded to the calls.

Being deeply interested in the history of our Church,

I have further endeavored to secure from our older brethren sketches upon matters of historical interest, pledging myself to preserve these for the future historian of Methodism in Kentucky. Bro. Drummond Welburn has responded with several articles of interest and value and I hope to enlist many others in this good work. Other matters of historical value have been collected, and by your leave I shall continue to gather such matters as will furnish data for our future history.

Respectfully submitted

W. E. ARNOLD.

## APPENDIX.

### REPORT OF THE BOARD OF MISSIONS.

The Methodist Episcopal Church South is encouraged in her mission work. With duty only in view and regardless of hindrances, she seeks to obey her Lord's command, "Go ye into all the world and preach the Gospel to every creature." She has a number of men and women who are ready to go as missionaries to any part of the world. They wait only for marching orders.

Her missionaries now in foreign lands possess the graces of patience and courage in a measure inspiring to the whole church. Paul like, they fearlessly face all dangers, standing firm at their posts, they have developed patience like that which kept Robert Morrison seven years at the gates of Canton, China, seeking admission that he might declare the glad tidings of salvation.

The church has much that is encouraging in her mission work :

First, her equipment for work, especially in foreign fields, being so much better than heretofore is a matter of congratulation. The theological and medical schools in China and Japan, the school at Laredo, Mexico, and the Scarritt Bible and Training School, constitute an arm of power indispensable to thorough and efficient work. The organization of Conferences in China, Japan, Brazil and Mexico has unified and strengthened the work in these fields. We should be grateful that from the Kentucky Conference the Holy Ghost has called so many. To China Rev. C. F. Reid, D. D., to Japan, Revs. J. C. C. Newton, D. D., (a former member of this Conference) T.

W. B. Demaree, C. A. Tague and S. E. Hager, and to Brazil from the bounds of our Conference, Rev. R. C. Dickson.

In this connection our Sunday-school work is too important to be overlooked. In China, Japan, Brazil, Mexico, and the Indian Territory we have about 13,000 Sunday-school teachers and scholars. This alone is a strong force in the Master's work.

Again, the determined and systematic effort put forth by our General Board, Woman's Board and Missionary Secretaries is prophetic of great success in the near future.

Once more, our numerical increase, the advance made in Christian experience and life, the determination to overcome all obstacles, and the successes which have attended past efforts, all conspire to stimulate to greater deeds and achievements for the Master.

Finally, mention may be made of the present state of Japan and China, as a reasonable ground of encouragement. We deprecate the loss of human blood, but trust it may result in the furtherance of the Gospel. In 1856 Britian led the way for a crusade against China in which France, the United States and Russia joined. The result was the Tientsin Treaty which is as follows:

"The Christian religion, as professed by Protestants and Roman Catholics, inculcates the practice of virtue and teaches man to do as he would be done by. Persons teaching or professing it, therefore, shall alike be entitled to the protection of the Chinese authorities, nor shall any such, peaceably pursuing their calling, and not offending against the laws, be persecuted or interfered with."

If such a desirable end was brought to pass by this war of 1856, may we not hope that the war now going on between Japan and China will be sanctified to the advancement of the Christian movements in these lands,

and that the twentieth century will dawn upon them with the glorious brightness of the gospel sun. · It is thought the shell in which China is encrusted will be broken and an entering wedge be introduced by which Western thought, civilization and religion will be the more readily received ; also that Japan will be driven from Confucianism, and will more gladly accept Christianity, while Corea will be more accessible and pliable under the touch of our faith, thus shall the wrath of man be made to praise Him.

Your Board is much encouraged by the reports, from out Home Missions for the past year.

Being impressed with the necessity of building up our church at strategic points in the bounds of the Middlesboro district unusually large appropriations were made last year to some of the missions at such points. The results and work done is gratifying. We would mention London as one such place, which now has an excellent church building, good congregation, is in good working condition and asks for no appropriation. We believe that such results would be accomplished at other points if sufficient appropriations could be made.

The Board would call attention to the following :

First : That Rev. T. F. Taliaferro has been appointed Conference Missionary Secretary, to co-operate with the Secretaries of the General Board.

Second : That the "Do Without Week" be observed in accordance with the desire of the General Board.

Third : That we have considered the recommendations in regard to special collectors and request the pastors to appoint the same when needed.

Fourth : That each member of the Conference take his collections as early as possible, and that for Home Missions the collection be taken during the first six months and forwarded to the Treasurer of this Board that on the

certificate of the Presiding Elder as to satisfactory work done the Treasurer shall distribute to the Missionaries of the Conference 25 per cent. of their respective claims on the first of March, provided that amount has been received by the Treasurer, if not he shall pay such per cent. as he may have on hand.

**REPORT OF WOMAN'S FOREIGN MISSIONARY SOCIETY M. E.  
CHURCH SOUTH, TO THE KENTUCKY ANNUAL CON-  
FERENCE IN SESSION AT FRANKFORT, KY.**

---

The Woman's Foreign Missionary Society respectfully submit the following report for fiscal year ending March, 1894 :

Total number of Adult, Young People's and Juvenile Societies, 147. Total membership, 2738. Total collections, \$4,093.35.

With a profound sense of gratitude to Him from whence our strength cometh, we note the increase in membership of 328, and in collections, \$1,091.35 over previous year.

We also take pleasure in the fact, as seen from Report of Secretary of Home affairs in Journal of 1894, that last year our Conference Society led the 34 sister Conferences in number of new organizations, and number of new members. The injunction left by one of our Missionaries who well knew our system of operation, "Take care of the Auxiliaries, Sister, for they are the *backbone* of the Work," impresses us with peculiar force ; and with an experience and observation which proves the truth of it, we appeal to the wives of our Ministers of the Kentucky Conference who may be sent to charges for the coming year where there are opportunities for organization, to consider themselves a committee of one, by divine appointment, to organize one or more auxiliaries to our W. F. Missionary work. Blank forms and necessary literature will be forwarded by me upon application.

#### REPORT OF THE BOARD OF CHURCH EXTENSION.

The works performed by this arm of our methodism, have demonstrated, beyond question, its usefulness. Never before, perhaps, were its services so much in demand, and so small strength to do and help, at its disposal.

It is the intention of the Church Extension Society to help where help is needed, and not this only, but to help where needed most. During the quadrennium just closing, your Board has endeavored to do this work of the church, and to do it in this way :

The Parent Board has issued a call to those churches which have been assisted by it, to contribute a "thanks offering" of \$5 at least, to the general work. This appears to be a reasonable request, and we therefore, call attention to the same, and ask for prompt responses, and many of them.

After the most earnest and careful examination of applications presented to us for aid, we have made appropriations as follows :

**REPORT OF THE WOMAN'S PARSONAGE AND HOME MISSION  
SOCIETY OF THE KENTUCKY CONFERENCE.**

There are now in varying degrees of development, sixty organized auxiliaries ; forty-eight adult and twelve juvenile, with a membership of about eight hundred. There has been an increase of eight auxiliaries during the year. Thirty pupils added to Sunday School by efforts of visiting committee. Local parsonage helped ; six to the amount of \$200.

Many appeals have been received from the brethren for assistance in parsonage building and for financial aid to supplement meager livings—these appeals in many cases were responded to at once. Fourteen auxiliaries report assistance rendered to the amount of \$150.

An appropriation of \$100 each, was given the parsonages at Morning View, Kenton Co., and Morehead, Rowan Co., by the Conference Society. Week of Prayer offering for the "Sue Bennett Memorial School" \$190. Total amount raised for school \$4200.

Our Parsonage and Home Mission work is growing more important every day, and we must press it with more earnestness. The importance of our societies increasing in numbers, cannot be too strongly emphasized. With the hearty co-operation of the preachers, we should have a society in every charge. We believe the great Head of the church is calling the women and children into this Home Mission work as never before, and every woman in the church should be fully informed on the subject. In all our societies, and many of our towns, there is a work for Christ, that only women can do, and there is a work for us, as Methodist women, trusting the result to Him, who has commissioned us in this way to "preach the Gospel to every creature."

#### REPORT OF BOARD OF EDUCATION TO KENTUCKY ANNUAL CONFERENCE.

The Kentucky Wesleyan College opened this year with an enrollment of 114 pupils, a few names in excess of the number taken at the same time last year. Of these nineteen are young ladies.

The Board is pleased to inform you that it has retained the efficient faculty that has served so acceptably during several years past, except that Prof. Ed. McKenzie A. M., has been chosen in place of Prof. Martin, as Principal of the Preparatory Department and Mr. E. F. Malone is to have charge of short-hand and type-writing, while Rev. J. W. Fitch is employed in Bible work, and Dr. H. P. Walker, as lecturer in church history.

The dormitory is occupied by a dozen boys who have good boarding and home like accommodations, under the

kind and capable administration of Mrs. Edwards, at the small cost of \$2 for meals per week, and \$2.50 for board and room. This arrangement is most gratifying, and we are glad that there is in the building yet some unoccupied room.

The influence of the presence of ladies was salutary throughout the year's work.

The curriculum has been pronounced, by those well informed, to be equal to that of other Kentucky colleges of best grade.

That it has been carefully and thoroughly taught is shown by the fact that our graduates have been well received at Vanderbilt University, the universities of Johns Hopkins, Virginia, Boston and the school of Harvard.

The financial status is fully shown by the exhibit of our treasurer, Jno. W. Proctor, Esq., Danville, Ky., here-to appended.

The following resolution was adopted unanimously:

*Resolved*, that it is the sense of this board that the Kentucky Wesleyan College should have competent representation in the field at the earliest practicable time and that we stand in readiness to employ such when the right man is found. Respectfully submitted.

JOHN R. DEERING.

Secretary.

**REPORT OF CONFERENCE BOARD OF EDUCATION**

Your Conference Board of Education would call your special attention, first to our connectional interests. If methodism is a unit, and its educational work should be unified, we must as annual conference workers, bring ourselves into more active co-operation with that part of the educational work in which the whole church feels concern. Vanderbilt University has a claim upon the entire body of our Methodism ; our own local educational institutions are as necessary and vital to us as Vanderbilt is to all, so that each has a place in our labors and sympathies. In the Kentucky conference we should not discourage the efforts of any one of our educational enterprises that has for its object the good of men and the glory of God, always however remembering that Kentucky Wesleyan stands first. It is our only educational institution to which we have pledged our support as a body. Every Methodist preacher and layman is virtually an agent soliciting patronage and encouraging support for this school, and he should feel himself to be under an obligation to work for said school, as binding, as high and as holy almost as the church itself. This college in its unfinished condition with new and untried surrounding, struggling along in its imperiled way, calls loud and long for our most earnest and harmonious endeavors in its behalf. At the last session, this conference provided that an educational offering should be, henceforth, one of the annual conference collections, and that the conference be assesesed the past year \$2,000 for the benefit of the Kentucky Wesleyan College. Of this amount \$924.52 has been raised and put into the hands of the trustees of that institution to be appropriated as they deem best. The Board of Education of the M. E. Church South, at Nashville, has made an assessment upon the church for

educational purposes. Two hundred and eighty-eight dollars of this assessment falls upon the Kentucky conference. We recommend that \$2,000 including this amount, be assessed by the conference for the benefit of Kentucky Wesleyan, to be prorated according to the amount collected; Also that a President be placed at the head of the institution as soon as possible, whose duty it shall be to present the interests and claims of Kentucky Wesleyan to our congregations throughout the year.

We would remind the conference that the last general conference of our church, ordered the money collected on children's day, to be distributed as follows:

Ten per cent. to the General Sunday-school Board; ten per cent to the Board of Education of the M. E. Church, South. Any surplus remaining at the end of conference year, to be divided between the Annual Conference Board of Education and the General Sunday-school Board.

We are glad to report that Kentucky Wesleyan College had a year of prosperity during its last term, and that the present year has opened with an increased attendance. The faculty is a faithful and deserving one, and demands at our hands the most cordial and earnest support.

We recommend the appointment of the following brethren to their respective institutions: Dr. C. Pope to Millersburg Female College; Dr. W. T. Poynter to Science Hill; Dr. T. J. Dodd to his Select High School; Rev. J. W. Hughes to Asbury College; and Whitty Waldrop to Elliot Institute. We report that these several schools and colleges have given satisfaction, except Science Hill, in which we learn from the President, Dr. Poynter, dancing is allowed among the girls.

We recommend that a visiting committee of three be

appointed to the Kentucky Wesleyan College to consist of C. J. Nugent, J. A. Sawyer and H. G. Henderson.

Respectfully submitted.

G. H. MEANS, Chairman.

T. B. COOK, Sec'y.

#### REPORT OF THE SUNDAY-SCHOOL BOARD.

The Sunday-school Board submits the following report:

During the year it has donated a number of libraries to needy Sunday-schools, and has supplied with literature from the publishing house of the M. E. Church, South, all the schools within the bounds of the Conference that have applied for aid. This year it proposes to continue the same work to the extent of its ability. The Board, as will be seen from the fiscal statement below, has ordered most of its supplies through the Conference Colporteur, Rev. J. N. Ison.

The prominence given the Sunday-school work at the recent General Conference should inspire all interested in this important cause with new zeal. Especially would we call attention to the imperative necessity of observing Children's Day Anniversary, as ten per cent. of the collection goes to the General Board, ten per cent. to the Board of Education, the rest to the Conference Board. Each of these Boards can use the money for the good of its respective fields.

The following is the financial statement for the year.

#### BOOKS AND PERIODICALS.

Your committee on books and periodicals submit the following report:

We have had before us the annual exhibit of our publishing house and are pleased to note that its volume of business during the year has been large, and that it has suffered, but little on account of the financial stringency which has so seriously affected other business enterprise. The agents gratefully acknowledge the devotion of preachers, and people who have continued their support

during these trying times. The house is enriching the church by sending out a constant stream of literature that we most heartily commend to our people. The business of the house might be increased and its profits enlarged, if our people would order all their books from it. Any book published anywhere can be had from Barbee & Smith at regular catalogue prices, and the profits of such sales would inure to the advantage of the house. We believe it the duty of every pastor to send for catalogues and to call attention to our publications from time to time.

The books issued from our presses during the year have been of high order, and our periodicals will compare with the best. The new Discipline ought to be placed in every Methodist home, and we trust our preachers will see to it that their people are well supplied.

The Christian Advocate is a strong paper. Conference organs and other periodicals, local and special, have their place and do good. But one of the essentials of intelligent and devoted membership is that the individual shall be brought into touch and sympathy with the work of the whole church, and this can be done only by means of a paper, which represents the whole church. As our connectional organ, therefore, the Christian Advocate fills a place that can be filled by no other paper, our people should not allow it to be crowded out of their homes by other publications.

The Methodist Review, under the editorial management of Dr. Tigert, has been changed from a quarterly to a bi-monthly; its scope and purpose have been enlarged; a corps of able contributors have been secured, and it easily holds a place among the best religious magazines of the day. Our need of such a publication is apparent. That this review should be published at a loss to the house, is certainly a reflection upon our methodism.

We are glad to say that the subscription list is increasing and the loss is becoming less every year.

The Epworth Era has recently been added to the list of periodicals sent out. The numbers already issued have been rich in materials suited to our young people and we commend it to the patronage, not only of members of the Epworth League, but to all young people of our church.

Among our excellent Sunday-school publications, the Sunday School Magazine, deserves special mention. Its cheapness brings it within the reach of every teacher, and its value cannot well be overestimated. It ought to be in every school. The present editor proposes to further improve it until it becomes the indispensable aid to the superintendent and to the thorough conscientious teacher.

The Methodist Review of Missions is one of the very best publications of its kind and should find liberal patronage on the part of our people.

The Womens' Missionary Advocate, the Little Workers and Our Homes are all doing noble work in their respective fields.

We have no paper published within the bounds of our Conference.

The Central Methodist and The Methodist are largely patronized by our people, however, and are welcomed to our homes. The former has been recognized as the organ of our Conference. But neither of these papers is conducted with special reference to the interests of Kentucky Conference Methodism. They are individual enterprises, drawing their patronage largely from our Conference, and we would respectfully suggest that a more marked attention and larger editorial devotion to the institutional interests of our Conference would be acceptable and profitable to us. We need not merely a family paper and a medium of communication, but a

paper that will champion our interests and push with vigor the enterprises that are vital to our success. These papers can so represent us if they will.

Our country has been flooded with song books, designed for the use of churches and Sunday-schools, and enterprising publishers have pressed them upon the attention of our people. Many of these publications are excellent; many of them pernicious. We can not specify, nor do we feel called upon to recommend any such work to the special favor of our churches. But we do recommend that our congregations use our own hymn book and that our Sunday-schools use our own publications as far as practicable.

C. J. NUGENT, Chairman.

#### BIBLE CAUSE.

The work of the American Bible Society commands the admiration of the Christian world, in faithfully carrying out its great object and aim, a wider circulation of the Holy Scriptures, without note or comment. It has made the Bible the cheapest book in the world. 58,000,000 copies of inspired truth, publishing one and a half million copies annually, about one million distributed in this country, and five hundred thousand copies in the foreign field. This Society publishes the Scriptures in one hundred languages and dialects. Our churches cannot do without this Bible Society, either for their work in this country or abroad. Now it is engaged in the momentous Christian enterprise of placing a Bible in the hands of every child in this land, and is co-operating with other Christian workers to secure a more general use of the Bible in the Sunday-schools. Its motto is a cheap and open Bible for the world. Your

committee heartily approve of the action of our late general Conference in identifying the church more closely with this Society financially. We are now to take an annual collection for the Society as for other church interests. Let us be prompt, systematic and liberal. We have agreed to an assessment upon our churches of \$600 for the present year. Hoping to increase this amount from time to time, therefore be it

*Resolved*, 1. That we heartily endorse and pledge our support to this institution.

2. That we respectfully request the Bishop to appoint Dr. G. S. Savage, agent for this Society.

Respectfully submitted,  
W. W. CHAMBERLAIN, Chairman.

#### TEMPERANCE.

We, your Committee on Temperance have given the subject due consideration and beg leave to make the following report :

We endorse the utterances of your last year's Committee, and finding no better language in which to voice our sentiment, we incorporate their report verbatim. "We rejoice at the progress that has been made in creating a sentiment and conscience in favor of prohibition and are encouraged to believe that all that is necessary to relieve our country of the giant evil of strong drink is a persistent, prudent effort on the part of all temperance workers to create a public sentiment that will prohibit such traffic in human souls.

*Resolved*: That the Kentucky Conference pledges itself to stand by the deliverances of our last General Conference on this subject and will sustain each other in all proper efforts to enforce the law of the church on temperance.

J. P. STROTHIER, Secretary.

**DISTRICT CONFERENCE RECORDS.**

The committee appointed on District Conference Records, met pursuant to announcement and after careful examination submit the following report:

The records of the Danville, Lexington and Shelbyville districts are in good order and give evidence of neatness and accuracy.

**THE COVINGTON DISTRICT.**—The minutes are neat and correctly recorded, together with a neat marginal reference to every item of business transacted, but we note the following errors, viz: The record fails to note the number of the session, but a blank space is left for its insertion.

2d. The signature of the President is not recorded.

**MAYSVILLE DISTRICT**—No minute is made of adjournment of afternoon session of June 12th, and none of the morning session, June 13th.

**MIDDLESBORO DISTRICT**—Failed to present their book for examination.

Respectfully,

D. H. MERRIMAN, Pres.

P. H. HOFFMAN, Sec.

**BOARD OF COLPORTAGE.**

The Board of Colportage report that during the past year they have had Rev. J. N. Ison in its employ, who has sold about \$600 worth of our own publications of Nashville, Tenn.

After due consideration the Board resolved not to employ a Colporteur for the present.

Your Conference Board of Colportage would respectfully submit report No. 2.

After furthur consideration of the subject we recommend the appointment of J. W. Harris as Conference Colporteur for the coming year.

W. T. BENTON, Pres.

T. F. TALIAFERRO, Sec.

## MEMOIRS.

### REV. RANSOM LANCASTER.

Ransom Lancaster was born in Madison county, Kentucky, on the old Boonesboro site, April 15, 1818. He was the son of Littleton and Nancy (Hays) Lancaster.

His father was a native of South Carolina, his mother a native Kentuckian.

Early in life he moved with his parents to Daviess Co., where he grew up to manhood, in a section somewhat noted for its peculiar sports and worldly amusements, in which as a youth he was subject to temptations not favorable to the development of Christian character.

Attending a camp-meeting at Old Pleasant Green Camp-ground, he was powerfully converted, and at once united with the church. His conversion was thorough, and through a ministry of more than half a century he never doubted its genuineness, which fact was certified by his unblemished life from that day until the summons came from on high.

His earnestness and his gifts soon led to his being licensed to exhort, and at a quarterly meeting held for Yellow Banks Circuit, May 30, 1840, by Rev. Benjamin F. Crouch, he was licensed as a local preacher, and as-

sisted in several revival meetings during the ensuing summer months.

His educational facilities had been very meager, and he set about studying in earnest to fit himself for his life work. He was recommended and received on trial at the session of the Kentucky Annual Conference held in Maysville, Ky., in the fall of 1841.

His first appointment was Barboursville Circuit, where he met with great success.

At the conference of 1842 he was assigned to Somerset Circuit, "prosecuting his work with fidelity and success," says Dr. Redford, in "Cavaliers of Methodism."

*The Western Christian Advocate*, of June 9, of the following year (1843), reported "One hundred and eighteen members received on probation up to May 28."

He was ordained Deacon by Bishop Thomas A. Morris, at Louisville, Ky., September 17, 1843, and Elder by Bishop Joshua Soule, at Frankfort, Ky., September 14, 1845.

The year 1844, notable as the year of the division of the church, found him at work within the territory since included in the Western Virginia Conference, and he took no small part in the discussions and alignment that followed that historic strife of Border Methodism.

He continued in the bounds of that Conference until the session held in Greenupsburg in the fall of 1858, when he returned to the Kentucky Conference, having filled some of the leading appointments in the Western Virginia Conference, viz: Parkersburg, Ravenswood, Barboursville, Kanawha, Salines, Summersville, Ashland, Cannonsburg, Greenupsburg, and the Green Briar District, as Presiding Elder.

Greenupsburg was his last charge in that Conference, and the closing year was crowned with perhaps one of the best revivals that church has ever had.

In September, 1858, he was assigned to the Sharpsburg Circuit in the Kentucky Conference, where he spent two very pleasant and successful years. Thence he went to Falmouth Circuit, which work there included what is now the Oddville and Berry Circuits, in addition to the town of Falmouth.

Locating his family at Oddville, he continuously resided there up to the spring of 1885, the war being largely responsible for that long residence, which was the result of connection with business pursuits.

He became deeply attached to the community and to its people, and he especially loved the churches and the people on the Oddville Circuit whom he served so long. From this point of residence, he served numerous within his reach, to get to some of them requiring no little exposure, considering his age and his state of health, he being a life-long sufferer from asthma, but he was always very prompt in meeting his appointments when his health would permit. His charges since moving from Oddville were Mt. Carmel and Orangeburg, Carlisle Circuit and Berry Circuit, which was his last work.

During his ministry of fifty-two years, hundreds were converted and brought into the church, and many new churches were erected. He was always in great demand for funeral occasions, and perhaps no minister in his section officiated at more funerals and married more couples than he.

He was happily married May 13, 1845, to Miss Lucy White Hard, of Scioto County, Ohio, who with four children survive. In an unknown grave in West Virginia lies the dust of "the little one that died" over forty-three years ago.

In personal religious profession, brother Lancaster was never "loud;" he claimed no superior attainments, but was always staunch and true, knowing that he had

the witness that he was an heir of salvation. He was always ready, and hence death, beyond leaving his family, had no terrors for him. It was, he said, "going home." "Some of these mornings I'll swing off into glory, soon I'll go up to my home in Heaven and then I'll lie down at the feet of Jesus and rest." Once while apparently asleep, extending his hands he cried out, "My Master!" and again, "My Father was here just now."

On Thursday night before he died, he repeated the 7th and 8th verses of the 4th chapter of Second Timothy —"I have fought a good fight; I have finished my course; I have kept the faith, henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous Judge, shall give me at that day," etc.

Brother Lancaster's illness was long and painful, eliciting the sympathy of the entire community. His mind became enfeebled toward the close, but in lucid intervals he was victorious in faith, shouting the praise of God, to the last demonstrating that to the Christian "at the even time it shall be light."

He died at 9:55 o'clock, on the morning of September 30, 1893, at the age of 75 years, 5 months and 15 days.

His funeral was attended by nearly two thousand people. The sermon was preached by the writer, at Oddville, on Sunday, October 1, at three o'clock p. m., after which St. Andrews Lodge No. 10, F. and A. M., and Cynthiana Commandery No. 18, Knights Templar, laid his body to rest according to the elaborate ritual of the Masonic fraternity.
